Fund's Movement Observations

During the month, the market showed high volatility; this resulted in decreased fund growth during the month. However the calendar year to date return is still positive because of efficient diversity in fund.

DISCLAIMER

Investment risk is borne by the participant and actual maturity or surrender values may be higher or lower than the projected figures depending on the performance of the underlying investments in the Participant Investment Fund. Past performance of the fund is indicative and is not necessarily a guide or guarantee to future performance.
